

CORPORATE PARTNERSHIP OPPORTUNITIES

Aspire Afterschool Learning helps historically underserved students fulfill their potential through afterschool and summer programs that support and connect families, schools, and communities. Every year, Aspire partners with **20+ Arlington schools, nonprofits, businesses, and affordable housing providers** and reaches **3,000+ community members** through services, volunteer opportunities, events, and communications efforts.

Aspire supports 150+ students each year – 100% are students of color and 94% come from low-income households.

Aspire provides the only daily academic afterschool program for 3rd-8th graders in Arlington that is offered at no cost to families.

“ We are proud to support Aspire's incredible work! Their team is creative and collaborative, and the organization has a long track record of success. When we invest in this organization, I know it will make a difference.

- Garrett McGuire, Regional Director, External and Legislative Affairs, AT&T

“ Aspire is an important pillar of the Arlington community. Corporate engagement opportunities at Aspire provide businesses and their employees a meaningful opportunity to work alongside young students to develop future job skills, expose them to new ideas, and support their learning and academics, while connecting as a company, giving back, and learning about the challenges and opportunities facing Arlington.

- Maceo Clark, VP CRA Program Manager, EagleBank

Aspire has been featured by CNN, PBS NewsHour, *The Washington Post*, *Washington Business Journal*, NBC4 Washington, WTOP, WAMU, Virginia Public Media, InsideNoVa, and many more.

HOW YOU CAN GET INVOLVED

Inspire the Next Generation of STEM Leaders

Aspire's new Makerspace provides a launching pad for students to explore STEM fields. You can join us to host experiments, hands-on demonstrations, and career days to spark students' love of STEM and build pipelines for STEM careers in Arlington.

Volunteer at Aspire

Aspire has a variety of volunteer opportunities – from one-off Community Volunteer Nights to ongoing mentoring and tutoring. We can also create custom volunteer opportunities.

Sponsor an Aspire Program or Event

Companies can financially support specific program areas or events, which includes special recognition and engagement opportunities.

Host Aspire at your next event

Our CEO, Paula Fynboh, is available to speak at conferences, employee affinity groups, and more. We also have team members who can join community events or volunteer fairs.

Sponsor the Achieving Afterschool Celebration

Aspire's annual benefit brings together local leaders to celebrate our students and the community who makes our work possible. Sponsorships include tickets, speaking opportunities, and recognition at the event and online.

Aspire can work with you to design a partnership package that aligns with your goals.
